

03.10.2023

(updated 11.11.2024.)

Waiting for the Latvian holidays.

Autumn joys, autumn sorrows,

Don't make us mourn here,

Places are given to us in Latvia

Hurry up while you still can!

Theaters, churches, operas and more

Why wait so long and sow?

Latvian compatriots, share everything,

Friendship, songs, dances and the anthem,

A lot of happiness, Latvia,

Take your place in the Baltics and the world!

God, bless the Latvians!
